World Class Performance. World Class Pedigree. World Class Progeny.

## **PERFORMANCE**

This stallion is very versatile. He is scopey and careful enough for showjumping, yet he also has the agility, step and blood needed for eventing, as demonstrated in the Hickstead Eventing Grand Prix.

With Edward Doyle, he won numerous national competitions in Ireland before Shane took over the ride in 2005. He began his international career in 2006.

2008 has been his best season to date with wins and placings on the British national circuit. Internationally, he was leading Speed Horse at Bourg En Bresse CSI4\*. In May, he won the opening jump-off class at Royal Windsor CSI3\*, and in June he won the world famous Hickstead Speed Derby.

## **PEDIGREE**

Royal Concorde's dam Trump Carder was a Grade A showjumper by King of Diamonds, the world-renowned progenitor of international showjumpers. His sire Concorde comes from very strong jumping lines on both sides. The sire of Concorde, Voltaire, who via his sire Furioso 11 and dam's sire Gotthard, was bred to perform. Concorde's dam Flyer was by the legendary Marco Polo, one of the most influential Dutch stallions in breeding and jumping today.

## **PROGENY**

Due to his jumping commitments, he only covered a handful of mares as a 3 year old. The Irish Army School of Equitation are currently campaigning a very talented 7 year old, Annestown, ridden by Captain Shane Carey.
